PRELIMINARY AMENDMENT

Sir:

Prior to the examination on the merits, please amend the above-captioned application as follows:

IN THE ABSTRACT:

Please replace the Abstract of the Disclosure with the following. A marked-up copy of the originally filed Abstract showing the changes thereto is attached.

--An apparatus for decomposing a pollutant that includes a case for housing a subject to be treated, a light irradiation device for irradiating the subject with light, and a light reflecting unit for reflecting the light irradiated by the light irradiation device. The light reflecting unit is arranged so as to reflect light passing through the subject to thereby irradiate the subject with the reflected light. A method for decomposing a pollutant by housing a subject to

be treated in a case having a light-reflecting surface and irradiating the subject with light, thereby decomposing a pollutant in the subject.--

REMARKS

This Preliminary Amendment is to conform the Abstract with formal requirements. No new matter has been added. Consideration and early passage to issue are respectfully requested.
